The Clerk shall provide a copy of the petition and Warrant to the U.S. Attorney's Office and the United States Marshals Service.

The probation officer believes that Ms. Strickland has violated the following condition(s) of supervision:

Violation 1 - The defendant must refrain from any unlawful use of a controlled substance. The defendant must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests, thereafter, as determined by the court.

On April 19, 2023, Ms. Strickland's urinalysis yielded presumptive positive results for methamphetamine and fentanyl. She subsequently admitted use of these substances and signed an admission form. On May 25, 2023, Ms. Strickland's urinalysis yielded presumptive positive results for methamphetamine, marijuana, MDMA, and Oxycodone. She subsequently admitted use of these substances and signed an admission form. On June 15, 2023, Ms. Strickland admitted to using a "little bit of methamphetamine and one and a half Percocet" during a phone call with the probation officer.

Violation 2 - After initially reporting to the probation office, you will receive instructions from the court or the probation officer about how and when you must report to the probation officer, and you must report to the probation officer as instructed.

On June 13, 2023, Ms. Strickland was instructed via text message to be home on June 14, 2023, until after she visits with the probation officer. On June 14, 2023, Ms. Strickland was not at the residence when the probation officer arrived around 12:15 p.m. The probation officer spoke with Ms. Strickland on the phone, and she advised she would be home in approximately 30 minutes. She was instructed via text message to be at her residence at 1:30 p.m. for a drug screen, and failure to do so would be considered a refusal to

submit to a drug screen. The probation officer returned to the home at 2:35 p.m. and Ms. Strickland was not at the home as instructed. On June 15, 2023, Ms. Strickland was instructed via telephone to be at her residence at 2:00 p.m. for a drug screen, and Ms. Strickland acknowledged understanding. She did not comply with this instruction and called the probation officer at 3:20 p.m. advising she was almost home. The probation officer advised she failed to adhere to the original instructions.

Violation 3 - You must not communicate or interact with someone you know is engaged in criminal activity. If you know someone has been convicted of a felony, you must not knowingly communicate or interact with that person without first getting the permission of the probation officer.

On May 25, 2023, Ms. Strickland admitted to having contact with seven people who she knew currently used or possessed controlled substances. As instructed, she showed the probation officer these people's contact information listed in her phone and deleted the contacts as instructed. She was not previously approved to have contact with any of these people.

Violation 4 - The defendant shall submit to substance abuse testing, at any time, as directed by the probation officer. The defendant shall cooperatively participate in a substance abuse treatment program, which may include drug testing and inpatient/residential treatment, and pay for treatment services, as directed by the probation officer. During the course of treatment, the defendant shall abstain from the use of alcoholic beverages.

Ms. Strickland was instructed to admit herself to Daymark Recovery Services, Rockingham, NC, detox program by April 24, 2023; however, she failed to comply with this instruction. On June 15, 2023, the probation officer instructed Ms. Strickland to admit herself to Daymark Recovery Services, Rockingham, NC, detox program by June 17, 2023, complete the program, and follow through with the inpatient treatment facility recommended to her. Ms. Strickland failed to comply with this instruction and to date, Ms. Strickland has not engaged in any type of substance use treatment.
